+61 408 084 142

Education:

2009 - Present
Curtin University

Bachelor of Arts, Majoring in Anthropology

Completed classes in graphic, web and 3D design and computer programming

Employment:

Oct. 2011 - Present
Ross's Auctions

Casual Warehouse assistant in the computer section. Inspecting computer and server equipment and preparing it for auction

Skills:

XHTML1.1, CSS2.1 

HTML5, CSS3 

JavaScript, JQuery 

CodingFundamentals 

- Intimate familiarity with (X)HTML and Stylesheets and their use in creating a user-friendly, efficient and searchengine friendly site

- Can read and edit PHP and JavaScript as well as write small sections to improve my designs and to increase usability

- Very familiar with Adobe products, particularly Photoshop, where I can create effective prototypes, convert existing templates into HTML pages and to create or modify web-friendly graphics
